There will be a Mandatory Meeting on August 8th at 7pm at Al's Repair Inc. in Thief River Falls.

This meeting will be determining the future of the club and the distribution of club assets in the event of closure.

If you would like to put your name in the hat to fill the role as President and Secretary/Treasurer, Call Al's Repair at (218) 681-4251 and leave a message stating your name, number, and intended position. Candidates must be paid members. Membership can be paid at the August 8th meeting.

It will also be put to a vote if the September Train Show will be held as a final event in which all previous and current club members would be welcome to attend.

This year's train & hobby show is scheduled for September 16-17. It will be in the TRF Curling Club at the fairgrounds.

The club's assets include the trailer, layout, and bank account.

All meetings are open to the public and you are encouraged to bring friends and family.
